Vol. III No. 6

Dear Customer:

On behalf of myself and the entire staff of Heritage Rare Coin Galleries, we would like to thank you for making 1983 one of the most successful years in our history. Through our policy of negotiation, we have provided a record number of experienced collectors and investors with the best values available in numismatics today. Through our informative articles in the CVI Monthly, we have chronicled both the movement of the U.S. rare coin market during the past year as well as the history of U.S. coinage by series. Through our new buying offices throughout the world, we have secured large quantities of rare U.S. coinage, which has been returned to this country for the benefit of collectors. And through the employment of sales representatives who are true numismatic professionals, we have provided the highest level of numismatic and investment advice in the industry.

In the coming year, we plan to continue these policies and strive to achieve new levels of customer service and satisfaction. Our very best wishes for a happy, healthy and prosperous holiday season.

Sincerely,

Michael W. Sherman  
General Manager

## The M.I.N.T. Plan™

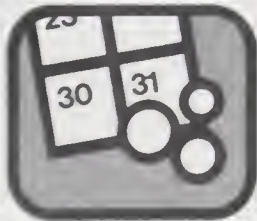

*The Monthly Investment and Numismatic Training Plan — the M.I.N.T. Plan™ — is a professionally directed monthly coin purchasing and educational program. Specifically designed for the busy professional who wants coin buying advice or the collector who wants more coin knowledge. The M.I.N.T. Plan™ updates and educates its members on the coin market while helping build their numismatic wealth according to their agreed monthly budget.*

**Increase your  
interest, decrease  
your time.**

You probably have noticed the recent price upswings in coins. And you may or may not have gotten in on the last coin appreciation period in 1978-80. But if you are like most of us, this seems like a perfect time to start increasing your coin wealth. But your profession keeps you so busy that you simply don't have the time to take advantage.

With the new M.I.N.T. Plan™, you are free from the time-consuming burdens of checking dozens of publications, dealer price lists, countless conventions, and the latest coin trends in an ever-changing coin market. That's all done for you each month.

**Match monthly  
excitement to your  
cash availability.**

Each month, we will send you some of the finest coins you may have ever seen. All are professionally selected, graded, and guaranteed by our renowned numismatists. Each coin will be sent to you according to guidelines you have discussed with our experts prior to shipment. And each group of coins will be selected according to the monthly budget you provide to us.

After you receive the coins, you will have thirty days to inspect the coins and return them for any

reason. In addition, the plan is totally flexible: you may cancel the program at **any** time, no mandatory purchase, increase or decrease the budget purchase amount, even skip a month or longer if necessary. It's up to you.

**Select the best  
coins through your  
Director.**

Each participant in the M.I.N.T. Plan™ is assigned his personal M.I.N.T. "Director." And each Director has been skillfully selected for this Plan from the best of our many professional numismatists.

Carefully and confidentially, your Director sorts through thousands of coins to help you choose those of the highest quality for your budgeted dollar — rarity and potential appreciation are generally the prime considerations.

Additionally, your Director works for you full time to not only stay current with the coin market, but to anticipate every major coin publication, compares dealer prices, and intently tracks national collector buy/sell trends.

**Receive "first"  
choice from the  
world's largest  
selection.**

Heritage Rare Coin Galleries is the world's largest coin firm. Since we have served coin buyers twenty years, you can be assured of financial strength and the finest industry reputation.

As the largest and probably best known firm in coins, we see millions of coins each year, selecting and offering only the finest for our customers.

As a M.I.N.T. Plan™ member, you will get one of the earliest opportunities to purchase from our newest inventory. That's a real advantage as demand for these select coins continues to grow.

## TWENTY CENT PIECES

- 1875 Proof (65+) Deep sapphire and grey toning atop fully reflective and virtually unblemished surfaces. From a recently broken up 1875 Proof Set and the nicest coin in that set. A coin of incredible beauty and a very desirable type piece as such. 10,400.00  
 1875-S MS (65) Superb swirling chartreuse, gold and rust toning. Fully lustrous and sharply struck with a reverse wire rim. This will make an excellent addition to a condition-conscious type set. 6,720.00  
 1875-S MS (65) Double Punched Mintmark. Very pale pearl-gold toning with absolutely outstanding luster. Very strongly struck with only the upper left wing not up. The surfaces are clean and the reverse is unimprovable. A good alternative to the last as this is not as heavily toned. 6,725.00  
 1875-CC MS (63) Deep gold toning with considerable luster below. An above average strike for the date with good head and feather detail. Scarce and in demand. 2,150.00

## BUST QUARTERS

- 1805 AU (50+) Browning-3. (R-1). Struck from shattered dies; the latest B-3 we know of. Untuned and mostly prooflike. Erratic strike and surfaces due to the state of the dies; where unaffected the coin is awesome. Scarce and important. 3,400.00  
 1834 MS (60+) Browning-1. (R-1). Strong obverse arc crack from star one through bust to star thirteen. Attractive lemon-based silver and cobalt blue toning atop remarkably lustrous surfaces. A wise choice for the type collector. 2,190.00

## LIBERTY SEATED QUARTERS

- 1841-O AU (50+) Scarce. 295.00  
 1849-O Fine (15) Pleasing natural grey with a bold LIBERTY and no defects. One of the rarest of all Quarters and a virtually unobtainable coin in any grade. 875.00  
 1852-O AU (55+) Fully prooflike. Gold toning in the fields; untuned devices. Average, but not really soft, strike; light contact marks on the obverse. Virtually no wear shows and it is very probable that the coin never entered circulation. An extreme rarity in this grade; possibly the second or third finest known, trailing only the Miles coin and, debatably the Doolittle/Robison coin. 3,250.00  
 1853 EF (40) Arrows and Rays. 110.00  
 1853 EF (40+) Arrows and Rays. 155.00  
 1861 AU (55) Full luster. Splendid iridescent toning on the obverse. 275.00  
 1862 AU (55) A lovely natural coin; the reverse is fully Mint State. 300.00  
 1864 MS (65) Golden-green and rose toning with swirling luster below. An absolutely unquestionable business strike with no prooflike surface and the diagnostic die lumps on Ms. Liberty's left thigh. A rare coin in this grade. 5,675.00  
 1870 Proof (63/65) Superbly toned. ANACS certified for grade and authenticity. 2,650.00  
 1873 Proof (65) No Arrows. Deeply toned obverse is highlighted by a crescent of electric blue at its left; the ultra-deep reverse has taken on a pale golden-russet hue. 3,480.00  
 1875 MS (60+) 600.00  
 1875 Proof (63+) Rusty pastels below a layer of deep greyish-green toning. A slight hairline in the right obverse field separates this coin from the Gem level. 2,200.00  
 1877-S MS (63+) S over horizontal S. Prooflike obverse. Even golden-russet toning. The inverted mint mark is very strong. Scarce. 3,400.00  
 1879 MS (63+) Handsome golden-grey toning atop semiprooflike surfaces. A very obvious business strike and a scarce coin. 3,900.00  
 1880 MS (63+) Untuned and deeply frosted with a full cameo obverse. The mostly prooflike surfaces show a few marks but this coin is, overall, quite spectacular. 3,900.00  
 1880 Proof (65+) Superb coppery-gold, sea-green and blue toning atop virginal surfaces. A beautiful coin with undeniable eye appeal and future potential. 4,925.00  
 1882 Proof (65+) Burnt-gold obverse accentuated by a rainbow iridescent crescent; splendid smoky pearl-gold offset by a small iridescent silver. Another beautiful coin. 4,650.00  
 1883 Proof (65) Light greyish-lilac toning to iridescence at the peripheries. The surfaces are very clean and reflective. Yet another nice 1880's Quarter. 3,695.00

- 1891 MS (63+) Struck from lightly clashed dies. Pale gold toning is heavier at the rims than on the surface. A bit flatly struck but clean and lustrous. 1,950.00

1795 F (15) Bolender-14. (R-3). Draped Bust. Original golden-grey. A full Very Fine coin which is downgraded by a number of small reverse edge bumps.	1,700.00
1796 VF (30) Bolender-4. Small Wide Date, Large Letters. Medium grey with pastels below. Clean and attractive with bold borders and problem free surfaces.	2,725.00
1799 EF (40) Bolender-5a. (R-3). Light golden-grey obverse; deeper grey reverse. Small reverse rim nick at 2:00 and a scratch at the middle of the shield. Visually attractive and destined for inclusion in a nice type set.	1,750.00
1799 EF (45) Bolender-9. (R <sup>2</sup> 1). Silvery-grey with violet highlights on the obverse. Some luster is present within the protected areas. A well balanced Early Dollar with full milling, good centering and no serious marks.	1,920.00

## LIBERTY SEATED DOLLARS

1862 MS (63) Artificially toned. Still, a scarce date in Mint State.	4,200.00
1871 MS (63) Semiprooflike obverse; both sides of this pleasing original coin display rose-grey toning with electric-blue at the date, stars and reverse lettering.	5,000.00

1876-S MS (65) Exquisite burnt-gold toning framed by puce, sea-green and blue undertones. Excellent luster, surface and strike. A Trade Dollar for the enthusiast of natural toning.	5,400.00

## PROOF MORGAN DOLLARS

1878 Proof (65+) Seven Tailfeathers. Very deep rose-grey with electric-blue and violet undertones. This obviously original coin has, unlike nearly every Proof 1878 Seven Tailfeather we have seen, never been cleaned, dipped or "improved." Rare; only 500 struck.	17,500.00
1885 Proof (65+) A simply beautiful Proof Morgan. The central obverse tends towards burnt-gold while the peripheries are a lovely blend of magenta, blue and sea-green. The reverse is deeper in hue with violet tinged gold toning predominant.	7,350.00

## PROOF MORGAN DOLLARS

1895 Proof (65) While no longer regarded as the rarest Morgan Dollar, no other date in the series carries as much respect as the 1895. This is a premium example. Both the obverse and reverse are toned in multicolored iridescent hues. The 1895 Dollar has never been cleaned and, thus, lacks the hairlines which seem almost inevitable. We anticipate an avalanche of phone calls regarding this coin and suggest an early phone call. 31,200.00

## QUARTER EAGLES

1805 AU (55) Only 1,781 struck and many of these melted in the great redemption of 1834. Flawless green-gold obverse; the reverse displays minor adjustment marks above STATES and the top of the shield. These marks do not detract. An extremely scarce type; far more so than Half Eagles and Eagles of this era. ....	13,350.00

1896 MS (60) Fairly scarce. ....	775.00
1898 MS (67) Superb! A simply phenomenal coin whose pink and green toned surfaces glitter with undisturbed luster. This is one of the finest Quarter Eagles we have handled and it is a fairly scarce date to boot. An important and irreplaceable coin. ....	5,950.00

## THREE DOLLAR GOLD

1854 EF (45) Serious nick on the cheek; another at 12:00 on the reverse. ....	800.00
1854 EF (45+) Considerable luster is present atop even yellow-gold surfaces. This coin would rate a full "50" if not for a thin obverse scratch at 6:00. ....	1,075.00
1874 AU (50) Somewhat prooflike and very clean with most of the original surface intact. Weakly struck below the bow; all other details are up. An unusually clean and attractive coin for the grade. ....	1,140.00
1878 MS (63+) Fairly deep yellow gold with full but subdued luster at the centers; the peripheral areas are touched by pink-hued luster. Sharply struck and clean; an obverse scratch from Ms. Liberty's mouth to between NI in UNITED keeps this coin from a potential "65" grade. ....	7,650.00
1878 MS (65) Similar in appearance to the last coin but with a bit more flash. The strike and surfaces are simply outstanding with no marks on the surfaces and a fully defined bow knot. ....	10,800.00
1878 MS (67) Superb! Quite possibly the finest business strike Three which we have ever owned. The satiny surfaces are excessively lustrous, clean and accentuated by pinkish luster. The strike is very sharp with just the slightest weakness at the bowknot. We would urge the serious Gold type collector to act on this awesome coin as it is doubtful that many other Threes of this quality exist. ....	20,000.00

## HALF EAGLES

1806 AU (55) Breen 5-E. (R-2). Knobbed 6. Stars 7+6. Fully lustrous even green gold. The obverse is very clean; minor reverse adjustment marks on the rim and upper shield. A virtual Mint State coin at a fraction of the full Mint State price. ....	7,860.00
1809/8 MS (65+) Breen 1-A. (R-2). Earliest state with the overdate quite bold. Outrageous luster atop satiny greenish-yellow surfaces. Light adjustment at the obverse denticles from 12:00 to 7:00; otherwise a nearly flawless coin. We have had the good fortune of handling some incredible Early Half Eagles in 1983, but this piece is the finest we have owned. An amazing coin. ....	32,000.00
1810 EF (45+) Breen 1-A. (R-2). Large Date and 5. Deep orange gold with considerable luster in the protected areas. A lovely piece of Early Gold which is notable for its overall cleanliness and originality. ....	3,750.00
1811 MS (60) Breen 1-A. (R-4). Tall 5. Lightly cleaned. A shame as this is very sharp and very clean. ....	8,160.00

## HALF EAGLES

1812 MS (60) Breen 1-A. (R-2). Fairly deep green gold with suggestions of orange below. Excellent strike and surfaces with a small scratch below the left wing mentioned mostly for identification.	10,200.00
1813 AU (55) (R-5, high) Lustrous light-green gold with only the barest trace of rub present. The obverse rim is weak from 6:00 to 12:00; this corresponds to the reverse. A charismatic Half Eagle which represents an excellent value for the advanced collector who can not afford a coin such as the next one.	9,425.00
1813 MS (63) Breen 1-A. (R-5, high). Fairly deep yellow and green gold with incredible luster. The surfaces are excellent with no serious marks and only the most insignificant of adjustment marks. The overall eye appeal of this coin is exceptional. A Half Eagle for the connoisseur.	20,400.00
1814/3 MS (63+) Lustrous light green-gold. A very clean piece with an above average strike; the left part of the eagle is the only weak area. No rim dents or adjustment marks are present and the overall visual impact of this coin is quite extraordinary. A very scarce date and type.	30,975.00
1835 AU (50)	900.00
1843 AU (50) Lustrous and clean; a good No Motto type coin.	360.00
1851-D EF (45) Breen-2. First 1 in date double punched at its base. Fairly deep green gold. Somewhat baggy on the obverse but clean on the reverse; typical shallow strike. The perfect piece for the collector seeking one nice Dahlonega Five.	1,450.00
1852 AU (55) Heavy Date. An ideal No Motto type coin for the medium budget collector.	660.00
1853-D AU (50) Somewhat prooflike pale orange-green gold. Typical strike with weakness at the denticles, upper hair curls and lower part of the eagle. The original surfaces are quite clean with no severe marks noted. Not a particularly scarce coin but a high grade Dahlonega Five and very popular as such.	2,750.00
1858-C EF (45) Pale green gold with some traces of luster remaining. Rather baggy but these marks are, fortunately, quite shallow. A very scarce date in any grade; almost unobtainable any nicer than this.	1,250.00

## EAGLES

1854-S EF (45) Excellent luster and surfaces suggestive of a "50" grade. A most pleasing example of the first San Francisco Eagle.	595.00
1861 MS (63+) Blazing orange hued luster atop surfaces which are all but unmarked. An impeccable strike with complete hair, feathers and star radials. While quite common in lower grades, this date is rare in Mint State. As choice as this, 1861 Eagles are very rare. We can not conceive that many finer No Motto Eagles are available on today's market.	10,050.00
1891-CC EF (40) Somewhat prooflike on the obverse; a bit baggy but not at all unattractive.	245.00

1908 MS (63) With Motto.	2,925.00
1908 Proof (67) Superb! Dark Matte finish. 116 struck of this denomination; this is the most "common" of the three finishes known. An absolutely superb piece which is one small reverse shiny spot from utter perfection. While not cheap in terms of price, the quality of this coin could not be improved on.	55,000.00

## DOUBLE EAGLES

1857-O EF (45) Yellow gold with some luster remaining. Typical surfaces but the present marks are shallow and unobtrusive. Scarce and infrequently encountered much nicer.	1,025.00
1861 MS (60+) The obverse is quite choice; the reverse is typically baggy.	2,675.00
1863-S MS (63) Original satiny surfaces display pink luster in the protected areas. This beautiful piece is perfect for the collector seeking a choice Mint State Type One Double Eagle.	4,800.00
1870-S MS (63) Splashes of coppery-orange and green toning atop highly lustrous surfaces. Minimal marks in the fields; small toning spot below ER in AMERICA. This is the finest 1870-S Double Eagle we have sold since the remarkable coin we auctioned in our 1982 ANA Sale (as lot 2732). A rare coin in this grade.	4,950.00
1872-CC MS (60) Light yellow-green gold with luster and surfaces suggestive of a higher grade. One of the nicer 72-CC Double Eagles we have owned and a scarce date in strict Mint State.	3,750.00
1875-CC MS (60+) Semiprooflike. Somewhat scuffy obverse; the reverse is quite clean and attractive.	2,750.00
1875-CC MS (63) Blazing luster with minimal marks and excellent detail. It would be hard to find a nicer Carson City Double Eagle.	4,250.00
1876-CC AU (50+) Prooflike. Fairly clean surfaces but a bit weakly struck at the central reverse.	1,175.00
1879-CC AU (50) Lustrous and clean. Especially well struck for the issue. A premium example of this scarcer date.	2,450.00
1883-CC MS (60+) Light pinkish-orange toning atop very clean surfaces. Most would offer this as a "63". An excellent coin for a Carson City set or for simple enjoyment.	2,950.00
1884-CC MS (60) Somewhat baggy but still lustrous and attractive.	2,250.00
1884-CC MS (60+) We currently have two specimens in stock. Both are colorful and clean with minimal abrasions and good luster. Either is available at	2,950.00
